

# HackOHI/O

## 2016 Sponsorship

An OHI/O event.

[hack.osu.edu](http://hack.osu.edu)

# Welcome to HackOHI/O.

Let's create something awesome in 2016.

We'd love for you to join us at HackOHI/O, The Ohio State University's student-run hackathon brought to you by OHI/O.

OHI/O is a campus group that aims to foster a tech culture at Ohio State. OHI/O's organizers possess a fundamental belief in the power of creation. HackOHI/O, our 24-hour programming competition, brings together students from all disciplines and across the nation to design, create, and build. **This event connects students and sponsors to form long-lasting relationships.**

Last year, we housed more than 500 students from 30 institutions. This fall, we plan to increase the range of the event to 40 institutions. That means more students from other universities and a wider talent pool of participants.

"To have the ability to interact with students that have real passion to develop in their environment was amazing...HackOHI/O provided a great opportunity for myself and my colleagues to witness firsthand just how creative our future developers are."

- Marzell Brown, *Rockwell Automation*

As a sponsor, you can avail yourself of many perks based on your chosen tier:

Students' names, emails, resumes, and GitHubs.

Host a networking event or meal before and during hacking.

Meet and mentor students throughout the event.

Award prizes for sponsored challenges you create.

Demo your APIs and other technologies.

Distribute swag to attendees.

Provide judges for our hackers' projects.

Present keynotes during the hackathon.

By sponsoring HackOHI/O, you become part of a network that changes how university students and employers interact. To further explore sponsoring our event, please review the following sponsor tiers and material.

We're building a world class hackathon. You can be a part of it, today. To further discuss sponsoring HackOHI/O, please contact us at [sponsorship@buckhacks.org](mailto:sponsorship@buckhacks.org).
