

The Ohio Union

Safety and Security Points for Hackathon

1. Attendees intending on leaving for the overnight must vacate the premises before 11:30pm Saturday and cannot reenter the building until 7am Sunday, when the doors will be open. It will not be acceptable to allow re-entry into the building by any member of the organization or attendee of the Hackathon. Also, there will be no exiting after the building is closed and there will be no deliveries or drop-offs permitted to the building, which will be considered in violation of the code of conduct.
2. Attendees will be prohibited from leaving the second floor of the Ohio Union and will have a set of designated restrooms to use. Wandering throughout the building is strongly prohibited and will be enforced.
3. Only in the event of an emergency that requires evacuation specific instructions and routes will be determined to get everyone to safety. (Off-site location TBD).
4. Please follow the instruction of building staff at all times.
5. In the event of a medical emergency, contact a Hackathon organizer so they can contact the building manager via cellphone so that building support staff can assist with granting access to any response teams needed.
6. There will be no tolerance for any violation of the Student Code of Conduct and will be upheld to the mandates of building management and the University. This will also be the standard at which all non-affiliates will be held as well in attendance w/ the event.
