HackOHI/O

2016 Sponsorship

An OHI/O event.
November 19th – 20th
@ Ohio State's Ohio Union.

hack.osu.edu

Welcome to HackOHI/O

Let's create something amazing in 2016.

We'd love for you to join us at HackOHI/O, Ohio State University's student-run hackathon brought to you by OHI/O. This year, our hackathon is taking place **November 19th - 20th** in the 17,000 sq. ft. Grand Ballroom of the Ohio Union.

OHI/O is a campus group that aims to foster a tech culture at Ohio State. We possess a fundamental belief in the power of creation. HackOHI/O, our 24-hour programming competition, brings together students from all disciplines and across the nation to design, create, and build. **This event connects students and sponsors to form long-lasting relationships.**

At this year's event, we plan to host 700+ students from over 40 institutions. That means more students from other universities and a wider talent pool of participants.

> "To have the ability to interact with students that have real passion to develop in their environment was amazing…HackOHI/O provided a great opportunity for myself and my colleagues to witness firsthand just how creative our future developers are." - Marzell Brown, *Rockwell Automation*

We invite you to join us in making our mission a reality. In return, we're proud to offer our sponsors many perks based on their chosen tiers:

- Students' names, emails, resumes, and GitHubs.
- Host a networking event or meal before and during hacking.
- Meet and mentor students throughout the event.
- Award prizes for sponsored challenges you create.
- Demo your APIs and other technologies.
- Distribute swag to attendees.
- Provide judges for our hackers' projects.
- Present keynotes during the hackathon.

By sponsoring HackOHI/O, you help make OHI/O's mission a reality while also becoming part of a network that changes how university students and employers interact. It is a great opportunity to expand your brand's visibility, to engage with top self-motivated talent, and to experiment with new ideas with the bleeding edge of technologists. To further explore sponsoring our event, please review the following sponsor tiers and material.

We're building a world class hackathon. You can be a part of it, today. To further discuss sponsoring HackOHI/O, please contact us at sponsorship@buckhacks.org.
